

I believe K-Love me as a resident of the local community by letting me hear music unfiltered without commercials. I believe that removing the ability for K-Love to be on the air reduces the ability for the local listener to have a positive affect on his/her community. K-love also announces local events that I would not otherwise know about. Finally to get rid of K-Love to to get rid of a vital source of entertainment, news, and events information in the local community
